

To: All Vendors

From: Bart Marshall
Alabama Fire College

Date: March 13, 2008

Subject: 72nd Fire College Week Program

The 72nd Fire College Week program is scheduled for April 24 – 27, 2008. The program will be held at the Alabama Fire College campus located at 2501 Phoenix Drive, Tuscaloosa, Alabama 35405.

There will be approximately 400 firefighters from across the state attending this event. The display and demonstration of apparatus and equipment have been very popular in previous years. Therefore, we would like to invite you to participate in this year's Fire College Week.

The vendor area will be set up in the bay area of the Fire College. Set up time will be the morning of Friday, April 25th. The vendor area will be open for viewing Friday, April 25th from 1:00 pm to 5:00 pm and on Saturday, April 26th from 8:00 am to 4:00 pm.

Space is limited and will be assigned on a first come first served basis. A 10x10 display space is allotted for each vendor who registers. The cost per space is \$150.00, and you may purchase more than one space if needed. A special area will be available for apparatus displays at a cost of \$25.00 per apparatus.

A registration form has been included with this letter and also posted on our website www.alabamafirecollege.org. Please submit your registration as soon as possible so we can make plans for this event.

Thank you for your support of the Alabama Fire College. We look forward to seeing you at the Spring Fire College Week program.

For further information contact Debbie Hicks by phone (205) 391-3763, email address dhicks@alabamafirecollege.org, or fax number (205) 391-3758.
