Director's Report:

A. The Training Report reflects the preliminary student numbers, but these numbers will change after the final rosters are entered into the database. These numbers will only increase, they will never be less than the report indicates. It’s been determined that when the CPAT reporting changed, it skewed the numbers. The reporting will be revised to show the numbers more accurately. The net loss is only 55 students for last fiscal year for on campus courses, and with the current economy, that shows that our numbers held up very well. The first quarter this year compared to the first quarter last year shows a decline of 1,075 students. Field EMT Basic, Hazardous Materials Awareness & Operations, and the Mobile Fire Trainer saw the majority of decline in student numbers. Resident numbers are actually up slightly but the Field numbers are down. A meeting will be held today with the regional staff to discuss strategies and to make sure we find a way to navigate the issue.

B. Report on Articulation Agreements

Several months of research and discussion are beginning to culminate in the development of articulation agreements with multiple academic institutions. More of our fire courses will be available for college credit including EMT courses. We are looking for options for our students to complete their degree online.

Efforts have been underway to establish eligibility to receive Veterans Administration tuition funding. We will have a lot of Alabama citizens returning from military duty and they will be searching for Public Safety employment and we need to be ready to accommodate them. We requested a site visit from Postsecondary in June 2011 and have made repeated requests since that time, but we have not heard back from them.

Commissioner Paulk made a motion to seek approval from the Department of Postsecondary Education for Veterans Administration funding. It was seconded by Commissioner Wyatt. Roll call vote was taken.

Dwight Graves – Yes
Ed Paulk – Yes
Howard Summerford – Yes
Dale Wyatt – Yes

Motion carried unanimously.

C. EMS Program Status Update

The first Advanced EMT class began on January 5, 2012 with 31 students enrolled. Work continues in preparation for the reestablishment of Paramedic courses in the fall of 2012. The Program Director for Emergency Medicine position will be posted and the search process will be started in late January or early February.
COMMITTEE REPORTS

Finance:

Commissioner Paulk said that the committee met January 17, 2012 and discussed the handout stating that the Fire College is operating within the budget. He also explained that the Special Category is the line items for the capital expenditures that were approved last year.

Policy & Procedures:

Commissioner Paulk said that the committee met in Center Point on December 19, 2011. Changes were discussed that involved taking out some language regarding regularly scheduled meetings and some substantial issues, but after consulting with counsel; this will be taken up again at our next meeting.

EMS:

Commissioner Wyatt said the committee did not meet.

OLD BUSINESS

A. Approval of Regional Training Center Agreements

Rice said that the agreement has been received from Prattville City Council and signed by the mayor. Only a minor change was requested and it is in Section 5 entitled Indemnification for City and Fire College.

Commissioner Paulk made a motion to accept the Prattville Regional Training Center Agreement with the insertion of the word “is” in Section 5 to read “It is agreed that ….”. It was seconded by Commissioner Graves.

Commissioner Wyatt asked that a signature line be added to Exhibit A for the host agency and the Fire College. Rice said that would be added and that the Commission is only voting on the actual agreement not the Exhibit.

Counsel Boardman explained that the City of Prattville had included the word “is” in Section 5 and this document only reflected a typographical error.

Roll call vote was taken.

Dwight Graves – Yes
Ed Paulk – Yes
Howard Summerford – Yes
Dale Wyatt – Yes

Motion carried unanimously.

Vice-Chairman Boyd asked Counsel Mark Boardman to read the language for the request for Veterans Administration funding.
"Whereas the Alabama Fire College must have approval from the Department of Postsecondary Education for Veterans Administration funding; and

Whereas the Alabama Fire College has requested a site visit and approval for Veterans Administration tuition funding on June 2, 2011, but has yet to receive such approval; and

Whereas in Alabama the Department of Postsecondary Education is responsible for certifying the Alabama Fire College for Veterans Administration tuition funding; and

Whereas, the State of Alabama has many veterans who could use Veterans Administration funding; and

Whereas, many veterans chose to continue their public service upon a return from foreign deployment by becoming a public safety professional;

Now, therefore, be it resolved by the Alabama Personnel Standards Commission at its regular quarterly meeting of January 18, 2012, quorum present, that the Commission requests the Department of Postsecondary Education expedite the process by which the Alabama Fire College becomes eligible for Veterans Administration tuition funding”.

Commissioner Paulk made a motion to accept the language from Counsel Boardman regarding the request for Veterans Administration funding. It was seconded by Commissioner Graves. Roll call vote was taken.

Dwight Graves – Yes
Ed Paulk – Yes
Howard Summerford – Yes
Dale Wyatt – Yes

Motion carried unanimously.

NEW BUSINESS

A. Proposed Revisions for Administrative Code

1. Rice said that the titles of Industrial Fire Brigade certification classes need to be revised to correlate with the recent edition of NFPA 1081. 4 new titles will need to be implemented:

   Incipient Industrial Fire Brigade Member
   Advanced Exterior Industrial Fire Brigade Instructor Member
   Interior Structural Industrial Fire Brigade Member
   Industrial Fire Brigade Leader

Commissioner Wyatt made a motion to approve revised titles for Industrial Fire Brigade. It was seconded by Commissioner Paulk. Roll call vote was taken

Dwight Graves – Yes
Ed Paulk – Yes
Howard Summerford – Yes
Motion carried unanimously.

2. There has been ongoing discussion for several months at commission meetings and work sessions, to change the process for recertification and re-entry into the fire service. Rice proposed that the expired individuals complete a recertification course. This would not change the process for out of state reciprocity.

Commissioner Paulk made a motion to approve the language to change the process for recertification and re-entry into the fire service in the Code of Alabama 360-X-1-.01 (4) (a):

Any individual who was previously issued Fire Fighter I certification by the commission, and whose Fire fighter I certification has expired, may be recertified by successfully completing a recertification course as prescribed by the commission.

It was seconded by Commissioner Graves. Roll call vote was taken.

- Dwight Graves – Yes
- Ed Paulk – Yes
- Howard Summerford – Yes
- Dale Wyatt – Yes

Motion carried unanimously.

These amendments will be on the agenda for the Public Hearing on April 18, 2012.

**B. Request for Approval of Reorganization**

Commissioner Paulk made a motion to table the reorganization topic because two commissioners were not present, but to bring it up at the next regularly scheduled meeting or special called meeting. It was seconded by Commissioner Wyatt. Roll call vote was taken.

- Dwight Graves – Yes
- Ed Paulk – Yes
- Howard Summerford – Yes
- Dale Wyatt – Yes

Motion carried unanimously.

Commissioner Wyatt asked that the reorganization be put on the Work Session agenda in February.

**BUSINESS FROM VISITORS**

Director’s Report:

A. The Training Report shows a decrease in the Field numbers which is on target with the enrollment trends this year. Jimmy Conner, the Regional Services Director, is meeting with his staff to develop a county by county plan to address this issue. On-campus numbers continue to fluctuate back and forth.

B. Legislative Report & Report on Lease of Property

Executive Director Rice said that Act No. 2012-207 was signed into law on April 17, 2012. Senator Allen has requested a ceremonial signing by the Governor here on our campus with the date and time to be determined. This will be a fire service-wide event to include the Joint Fire Council agencies, as this would not have happened without
the unified effort on the part of the entire fire service and some of our partners outside of the fire service.

A proposed property lease agreement was submitted to the Commissioners. The Commission would relinquish any and all claims to ownership of the Annex Building and would vacate the remainder of that building (current maintenance shop); in exchange, the State Board of Education/Shelton State would agree to lease the current AFC campus for 99 years at $1 per year and would forgive any charges for fiscal agency services for the current fiscal year ($298,000.00). The savings from the fiscal agreement would be available for relocation of our maintenance operation to the existing warehouse building. The Commission would have the rights and authority to develop the property. Dr. Heinrich would agree, at their expense, to relocate the fence line to provide physical separation from Shelton State.

Commissioner Pauk made a motion that the Executive Director and the Chairman negotiate and execute the Lease Agreement with the State Board of Education, the Department of Postsecondary Education and Shelton State Community College. It was seconded by Commissioner Wyatt. Roll call vote was taken.

Ralph Cobb - Yes
Dwight Graves – Yes

Director’s Report:

A. The Training Report shows a surge in this most recent quarter, and the addition of Workplace Safety Training numbers.

Chairman Zaragoza asked for an update on the MOU with Shelton State. Rice stated that there wasn’t a need for a short term MOU Fiscal Agency Agreement as Shelton State suspended all services in April.

Zaragoza asked about the prospective construction plans. Rice said that there has been some internal discussions and that a more definitive plan would be ready for the Commission at the August Work Session.

The Chairman asked for an update on the lease agreement. Rice said that the lease was drafted and submitted to Shelton State and then went on to Postsecondary. Postsecondary general counsel has the draft lease and is in the process of formatting it to an intergovernmental lease. Shelton State accepted our proposal and we are awaiting Postsecondary and the Board to approve.

Zaragoza stated that a Public Hearing was to be held on the addition of the Rescue Technician: Swift Water Rescue course. Rice explained that the language is ready to
be sent, but with budget preparation, policies and procedures changes, and the reorganization, he asked that this issue and the re-certification process be taken up at the October Quarterly meeting.

BUSINESS FROM VISITORS

Stan Odom from Coaling Volunteer Fire Department requested that EVOC be put into a separate driving only program for fire apparatus.

BUSINESS FROM COMMISSION MEMBERS

Commissioner Cobb said there is a simulator that would be advantageous for the Fire College. Rice said that there’s a department in Alabama that has an AFG grant for a simulator but they do not have the matching amount needed to get it. Chairman Zaragoza asked for Rice to investigate this further and bring his findings back to the Commission at the August Work Session.

Next Work Session will be August 30, 2012 at 12:00 p.m.

Next Quarterly Commission Meeting will be October 17, 2012 at the Alabama Fire College.

Commissioner Wyatt made a motion to adjourn the meeting. Commissioner Paulk seconded it and the motion carried.

Meeting adjourned.

PUBLIC HEARING

The first Administrative Code item up for discussion was 360-X-1-.01. The proposed changes would repeal the current requirements for recertification upon re-entry into the fire service, and replace with a requirement that a previously-certified Alabama firefighter whose certification has expired could become recertified by attending a recertification course as prescribed by the Commission.

Director Rice explained that the recertification course would be ready to implement by January 2013 and would possibly be an 80 hour course that would be offered every other month. The Commissioners discussed the proposal for several minutes.

Discussion was opened to the public. Jason Brewer said that he supported this change and felt that this would be helpful to others wanting to get back into the fire service.

    Commissioner Paulk made a motion to accept the proposed changes for 360-X-1-.01 General Regulations and Administrative Procedures, for recertification into the fire service and it was seconded by Commissioner Wyatt. Roll call vote was taken.

    Ralph Cobb – Yes
    Roy Mott – Yes
    Ed Paulk – Yes
Dale Wyatt – Yes

Motion carried unanimously.

Administrative Code 360-X-5 Certified Fire Investigator series and Certified Accelerant Detection Canine Handler and Certified Explosives Detection Canine Handler, was the next item for discussion. The proposed changes would correct the prerequisites required for these certifications and also correct some typographical errors.

No comments from the public.

Director's Report:

A. The Training Report shows a student increase of approximately 7,000 since 2007.

B. Report on Property Lease

The Lease Agreement between Shelton State Community College and the Commission has been drafted. Rice stated that the lease will accomplish a 99 year lease at $1.00 per year. We will relinquish any ownership claim to the annex building, Shelton State will not bill us for last year’s fiscal agency agreement which is a net windfall of $298,000.00 to us. Shelton State will absorb the cost of re-routing the fence line. A survey will be done to develop a legal description of the leased property. We are asking permission to tie any future construction into Shelton’s sewer line. These are general terms. There might be minor adjustments.

C. Report on Building Project

Rice reported that he has asked Hal Gandy from PH&J Architects to submit his proposals at the November Work Session for the Commission to review.

D. Report on Grant Partnership

The City of Fort Payne has received an AFG Grant for an apparatus driving simulator. We are in the discussion phase to partner with them. We would help them with the match which is about $85,000.00. A conference call recently occurred with Rice, Mr. Boardman, their city attorney and their fire chief. Fort Payne would own and house the simulator, but the Fire College would have access to it and would be able to transport it around the state to provide driver safety training. The Commissioners agreed that they wanted to continue discussion with the City of Fort Payne and come to an agreement to partner with them.

COMMITTEE REPORTS

Finance:

1. Adoption of Fiscal Policies

Commissioner Mott reported that the Finance Committee did not have a quorum on October 16, 2012 but stated that the Fire College is on target to stay within the budget.

Commissioner Zaragoza asked Mike Echols from Echols, Coogler and Associates to review the financial report. Echols said that their goal is to stay within the budget and to have the financial statements by the 15th of the month. Echols discussed the Finance Specialist position and how that person will be working closely with their firm. Rice stated that he has asked both Mike Echols and Mitzi Coogler to serve on the Search Committee. Applications are coming in and we hope to fill the position by the first of December.
The new Fiscal Policies were introduced to the Commission.

Commissioner Paulk made a motion to accept Policy 301.02, 302.01, 303.02, 304.01, 304.02, 307.01, 307.02, 309.01, 310.02, 315.01, 316.01, 371.01, 318.01, 319.01, 320.01, 321.01 and 324.01. It was seconded by Commissioner Wyatt. Roll call vote was taken.

Meeting Minutes
Chairman Paulk called the meeting to order. Committee member Howard Summerford was present. Also in attendance were Commissioners Cobb, Wyatt, and Zaragoza, Director Rice and Melony Carroll.

The Committee members discussed the potential creation of an administration certification to be issued to fire chiefs hired from outside Alabama who have been hired to work within the state. Director Rice provided an example of the Special Certificate of Compliance from the State of Florida. Discussion was held by all parties related to how to implement such a concept. It was determined that the process should have multiple routes for compliance and should consider one’s experience, education, and/or test results when challenging one or more of Alabama’s certification tests, such as Firefighter I & Fire Officer I. Director Rice was instructed to bring a draft policy to the January Commission meeting.

Additional discussed was held regarding clarification on how the CPAT requirement should be applied to the four processes for becoming a fire fighter in Alabama, which consist of recruit school, bridge, recertification & reciprocity. Chairman Paulk suggested the discussion be continued at the work session. Commissioner Summerford stated there was a State 911 Board meeting in October 2013 and that there will be consideration of a requirement for 911 dispatchers in Alabama to be trained & certified.

No action was taken.

Meeting adjourned.

Visitors - Accountant Mike Echols

Meeting Minutes

Director Rice reported on the selection of Jessica Morris for the Finance Specialist position and how the hiring process was conducted. Ms. Morris is to start her position on December 3rd. Mr. Echols commented on the quality of her experience with a large local accounting firm.

Mike Echols discussed the proposals for the independent audit. There were seven requests mailed out and three firms submitted responses. Based on cost, location and knowledge of our operations, Jamison Money Farmer of Tuscaloosa was the chosen firm. They configured and installed our accounting software system as we assumed responsibility for our financial management. Director Rice stated that these services were typically exempt from competitive bid under Alabama law; however, our new legislation requires that the outside auditing firm be selected by a competitive process and this was handled accordingly.

Discussion was held on the solicitation for certificate of deposit rates from local banks. Rate quotes were requested on several combinations of amounts totaling $2,300,000 million and for a variety of different periods of investment. Only one bank responded and quoted .21% for 6 months, .25% for 9 months, .31% 12 months, .35% for 24 months, .4 for 36 months. Commissioner Summerford stated he felt there should be better rates available for that amount of funds.

Mr. Echols distributed a draft year-end financial statement. He reported that his firm has filed required reports with the State Department of Finance and also has requested from them data from the previous two years to do a comparison. Mr. Echols is working to verify data previously submitted on our behalf. He stated that we will be audited for the period from May 1st until September 30th 2012 and Shelton state will be audited for the first five months of the fiscal year.

No motion was made and no action was taken.

The meeting was adjourned.

VISITORS

Attorneys Mark Boardman and Carl Johnson, as well as Architect Hal Gandy were present.

MINUTES

Commissioner Howard Summerford reviewed the Finance Committee meeting from the previous day. Jamison Money Farmer has set up our accounting software. The Finance Specialist position has been filled through the normal search process. The search committee was composed of Donna Love, Derrick Swanson, Eddie McCall, Teresa Stone & Mitzi Coogler (Echols and Coogler, PC). There were fourteen total applicants, with nine being selected for the search committee interview. Three finalists were selected and Allan Rice and Mike Echols (Echols and Coogler, PC) conducted the final interviews. Jessica Morris was determined to be the most qualified and she started work on December 3rd. She has a Masters in Accounting and is a Certified Public Accountant.

Commissioner Wyatt gave a report on the EMS Advisory Board meeting. They elected a chair and vice chair from among the membership of the committee, which consists of representatives from clinical agencies, fire departments, ambulance services, program faculty and current students. He stated that the program should complete the accreditation process for COAMPS by 2014. Chairman Zaragoza asked about the size of the advisory committee and Commissioner Wyatt said it was composed of approximately twenty to twenty-five members.

The Policies/Procedures Committee report was given by Commissioner Paulk. They would like to see a policy recommendation allowing out-of-state fire chiefs to be certified to work in the State of Alabama. Discussion revealed that the policy should consider some combination of education, experience and/or challenge of one or more of our state tests. Discussion was also held regarding a possible CPAT requirement.

There was a five minute recess.

Architect Hal Gandy presented several draft designs and site plans for the proposed new building. He was the original architect when the campus was built. The Commissioners reviewed the drawings and discussed the various options available for design and site placement. All Commissioners were in favor of the maintenance shop being relocated to the existing warehouse, with necessary modifications, rather than to the new building.
Director Rice provided an update on the Regional Training Centers. Training will begin at some RTCs in January. We are still working on getting finalized agreements with two RTCs. A draft training calendar was provided to each RTC for classes we are asking them to host. They are also encouraged to propose additional classes as needed.

The land lease for our campus was approved by the State Board of Education and will require a survey. The lease is for a ninety-nine year term for $1.00 per year. We will relinquish any claim to the Annex Building and will have 180 days from the date of signing the lease to vacate. We have an upcoming meeting with Steve Fair, the Acting President of Shelton State, to discuss relocation of the fence around the Annex Building.

We are still pursuing the release of personnel files from Shelton State. They are to provide copies and will remain the holder of all originals. Melony received copies of several files but not all that were requested. This has been communicated to Shelton State and should be resolved soon.

We continue to pursue our share of the restitution that has been collected by Postsecondary over the past four years. We are entitled to 30% of all payments they receive and the first payment to us was due in September. Director Rice stated he will continue to pursue this.

We have been approved for VA benefits to be used by students taking our fire training classes, and we are still waiting to get confirmation on approval for EMS courses.

The draft FY2012 annual report was presented to the Commission for review.

No formal action was taken.

There being no further discussion, the meeting was adjourned.
