ABOUT
Attendance is required for all classes. Class meeting dates reflect a “shift” schedule, excluding weekends. Due to the high demand for this online offering, we are not able to make exceptions to the attendance policy. Please be sure you will be off-duty and not responsible for responding to emergency calls during class, as these will not be excused absences and will result in exclusion from the course and certification testing.

Test date is tentative and subject to change. We suggest you make arrangements to test on the scheduled test date at the AFC in Tuscaloosa, however if you feel you have a justified hardship please contact certification@alabamafirecollege.org.
