

AEMT

ADVANCED EMERGENCY MEDICAL TECHNICIAN

is required to apply for licensure as an Advanced EMT. The primary focus of the A-EMT program is to provide basic and limited advanced emergency medical care and transportation for critical and emergent patients who access the emergency medical system. This individual possesses the basic knowledge and skills necessary to provide patient care and transportation. A-EMTs function as part of a comprehensive EMS response, under medical oversight. A-EMTs perform interventions with basic and advanced equipment typically found on an ambulance. This course is based on the Advanced EMT National Emergency Medical Services Educations Standards. Successful graduates are eligible to take the National Registry certification exam and advance to the Paramedic curriculum. This is an intensive, fast-paced course, taught by experienced Paramedics. Attendance is mandatory, and class meets from 5:30pm-10pm. Students are encouraged to read the assigned text and complete the assignments in order to successfully complete this course. Subject matter includes: EMS Systems, The Human Body, Principles of Pharmacology, Vascular Access & Medication Administration, Shock, Airway Management, Respiratory Emergencies, Cardiovascular Emergencies, and Terrorism Response & Disaster.

ADMISSION REQUIREMENTS

The Alabama Fire College endorses the Americans with Disabilities Act. Physical, cognitive, psychomotor, affective and social abilities are required in unique combinations to provide safe and effective emergency medical care. Admission, progression and graduation are contingent upon the student/applicant's ability to demonstrate the essential functions delineated for Alabama Fire College Program in Emergency Medicine with or without reasonable accommodations throughout the program of learning.

The purpose of this document is to state physical and mental qualifications necessary to be successful in the workplace. Alabama Fire College Program in Emergency Medicine and/or its affiliated clinical agencies may identify additional essential functions. Alabama Fire College Program in Emergency Medicine reserves the right to amend the essential functions as deemed necessary.

The EMT essential function requirements include but are not limited to the ability to:

Physical Demands:

1. Physical ability to walk, climb, crawl, bend, push, pull, lift, and balance over less than ideal terrain
2. Good physical stamina and endurance, which would not be adversely affected by having to lift, carry, and balance, at times, in excess of 125 lbs, or 250 lbs with assistance
3. See different color spectrums
4. Have good hand-eye coordination and manual dexterity to manipulate equipment, instrumentation, and medications

Requirements for problem solving abilities, data collection, judgment, and reasoning:

5. Send and receive verbal messages as well as appropriately operate the communication equipment of current technology
6. Collect facts and organize data accurately, to communicate clearly both orally and in writing using the English language (9th grade level or higher)
7. Differentiate between normal and abnormal findings in the human physical conditions by using visual, auditory, olfactory, and tactile observations
8. Make good judgment decisions and exhibit problem-solving skills under stressful situations
9. Be attentive to detail and aware of standards/rules that govern practice, and implement therapies based upon mathematical calculations (9th grade level or higher)
10. Possess sufficient emotional stability to be able to perform duties in life or death situations and in potentially dangerous social situations, including responding to calls in districts known to have high crime rates
11. Handle stress and work well as part of a team
12. Be oriented to reality and not mentally impaired by mind-altering substances
13. Not be addicted to drugs
14. Work a shift of 24 hours in length
15. Tolerate exposure to extremes in the environment including variable aspects of weather, hazardous fumes, and noise
16. Possess eyesight in a minimum of one eye correctable to 20/20 vision and be able to determine directions according to a map. Students who desire to drive an ambulance must possess approximately 180° peripheral vision capacity must possess a valid driver's license, and must be able to safely and competently operate a motor vehicle in accordance with state law.

(continued on next page)

An individual who discloses a disability may request reasonable accommodations. Individuals will be asked to provide documentation of the disability in order to assist with the provision of appropriate reasonable accommodations. The College will provide reasonable accommodations but is not required to substantially alter the requirements or nature of the program or provide accommodations that inflict an undue burden on the College. Requests for reasonable accommodations should be directed to Registration at Alabama Fire College.

I have reviewed the essential functions for this program and I certify that to the best of my knowledge I have the ability to perform these functions. I understand that a further evaluation of my ability may be required and conducted by Alabama Fire College Program in Emergency Medicine faculty if deemed necessary to evaluate my ability prior to admission to the program and for retention and progression through the program.

I have read and understand these essential functions and, to the best of my knowledge, I will be unable to perform function # _____ due to a disability. I understand that I need to provide documentation of my disability and recommendation for accommodations from my physician. This information must be provided to Registration at the Alabama Fire College.

Applicant Signature	Date
If you answered "unable to perform" in the above statement, please explain.	

Non-Discrimination Statement: It is the official policy of Alabama Fire College that no person shall, on the grounds of race, color, disability, sex, religion, creed, national origin, or age, be excluded from participation in, be denied the benefits of, or shall be subject to discrimination under any program, activity, or employment.

Statement of Understanding: Commission of a Felony

I understand that commission of a felony may prevent or impede my taking the appropriate Registry Exam administered by the National Registry for Emergency Medical Technicians and to become licensed by Alabama Department of Public Health. The authority to approve applicants for the registry examinations rests with the National Registry.

Statement of Understanding: Background Screen Checks

I understand that every student who enrolls in Alabama Fire College Program in Emergency Medicine and desires to participate in courses which have a clinical component is required to have a Background Screen Check. A student who is refused acceptance for clinical experience due to a positive background screen will not be able to complete the clinical component of the required courses and will not receive a passing grade for the course.

Statement of Understanding: Weapons Policy

I understand that possession, (while on College-owned or controlled property), of firearms, ammunition, explosives, fireworks, or other dangerous instrumentalities is prohibited. Violations of the policy will render a student subject to disciplinary action under the procedures which provide for adequate notice and fair hearing. Penalties for violations may include reprimand and probation, loss of privileges, suspension, expulsion, and other penalties which may be set forth in the College regulations.

Statement of Understanding: Pre-Clinical Drug Screen

I understand that every student who enrolls in Alabama Fire College Program in Emergency Medicine and desires to participate in courses which have a clinical component is required to have an initial pre-clinical drug screening. The student must abide by the College's Drug Screen Policy and Agency Clinical Policy for which the student is assigned clinical practice. This policy includes reasonable suspicion screening.

Statement of Understanding: Student Classroom Behavior

I understand that students are expected to give courtesy to others while in class, show a willingness to respond to questions and participate in class discussions, and have a lively interest in the subject matter, as evidenced by alertness and attentiveness during classroom activities. The College and the program have "zero tolerance" for disruptive class behavior. Since enrollment in college is by choice, students who fail to demonstrate common courtesy and cooperation in the classroom are choosing, by their behavior to cancel their enrollment. The EMS Group Supervisor will be notified of all such violations and appropriate steps taken. Special health problems will be considered on an individual basis. Visitors (including children) are not allowed in the classroom.

Statement of Understanding: Possibility of Non-Traditional Work Hours and Weekend Assignments

I understand that availability of clinical sites will determine clinical placement and there may be some non-traditional work hours and weekend assignments (i.e. 3pm-11pm, 11pm-7am, etc.).

Photo Release Statement:

I hereby authorize the staff of Alabama Fire College to use, reproduce, and/or publish photographs and/or video that may pertain to me, including my image, likeness and/or voice without compensation. I understand that this material may be used in various publications, public affairs releases, recruitment materials, broadcast public service advertising (PSAs), or for other related marketing endeavors. This material may also appear on Alabama Fire College's website and other related social media sites. This authorization is continuous and may only be withdrawn by my specific revocation of this authorization in writing. If I do not wish to agree to this release statement, I will alert my instructor at the beginning of the class as such.
