

ALABAMA FELLOWSHIP OF FIRE CHAPLAINS TRAINING EVENT

CPR AED FIRST AID & BLS HEALTHCARE PROVIDER

WHEN

May 15, 2026, 9 am to 1 pm

WHERE

Grace Life Baptist Church
5911 Old Tuscaloosa Hwy, McCalla, AL 35111

COURSE DESCRIPTION

Participants will be trained by Elbert Burt, an Irondale Firefighter and Paramedic, and will attain certification through the American Heart Association.

This training event is highly recommended for everyone. 350,000 Out-of-Hospital Cardiac Arrests occur in the US annually and statistically survival decreases by 7-10% every minute CPR is delayed. Mostly occurring at home (70-73%), 40-42% of OHCA victims receive bystander CPR. Public AED use also improves survival but occurs only in 12-13% of cases.
