CLASS DESCRIPTION

Our Arizona Vortex Workshop is a 24-hour, hands-on course that progresses the student through the various configurations of the Arizona Vortex. The workshop will advance from the basic set-ups, such as the easel "A" frame, to various bi-pod configurations and ultimately the monopod or "gin pole" set-ups.

SKILLS TAUGHT

- Vortex hardware
- Assembly
- Configurations
- Modes of use
- Applied force theory
- Foot stabilization techniques
- Guying options

CLASS INCLUDES

- CMC School Certificate of Completion
- CMC Arizona Vortex Kit User Manual
- CMC Patch

ENROLLMENT REQUIREMENTS

NOTE: Your spot is not guaranteed until you are contacted by the CMC School confirming your enrollment. The CMC School administrator will contact you 45 days before the start date to confirm the class will be held as scheduled. We strongly suggest that you do not make any travel arrangements before that time, as classes are subject to cancellation.

CLASS FEES

EARLY \$975 when registered and paid 45 days in advance.
REGULAR \$1,025 when registered less than 45 days in advance

CLASS SIZE

Limited to 14 students. We emphasize hands-on instruction and encourage participation by everyone in the class. Classes fill early, so register soon.
