

## Chelsea Fire & Rescue

Chelsea Fire and Rescue is excited to announce that we are now accepting applications for full-time positions.

Chelsea Fire and Rescue is an expanding agency serving the fastest growing city in Shelby County and the second fastest growing city in the state of Alabama. We provide coverage to over 25 square miles and protect a population of approximately 15,000 citizens. Chelsea Fire and Rescue operates from 3 stations with minimum staffing of 12 firefighters per shift. We pride ourselves on having the best equipment available in both the fire service and as EMS providers. We operate two newer model rescue units complete with Lifepak 15s, LUCAS devices, Stryker power stretchers, Stryker power lifts, video laryngoscopes, etc. Our rescues are also an integral part of our staffing on structure fires. Our engine companies are ALS equipped with LifePak 15s and other top of the line fire and EMS equipment. We operate 3 fire engines, a 2014 Pierce, a 2004 Pierce, and a 2000 Refurbished Quality. Engine 31 cross staffs a 2019 Pierce 107' quint. We are currently in the specification process for two additional new engines to replace our older ones. This will assist in meeting our department's mission and plan for the anticipated growth within our response coverage.
