

SPORTS RESPONDER TRAIN-THE-TRAINER

\$35

Pre-requisite: Must be a licensed EMT or higher

June 30

Madison
Fire Rescue

July 22

Prattville
Public Safety

This course is designed to give the emergency medical provider the knowledge and ability to instruct others to safely remove helmets and pads from injured players. The EMS provider will be trained to assist athletic trainers or operate as a member of a team of EMS providers for treating, packaging, and transporting injured players. This course is required for instructing *Sports Responder Training*.
