

ALABAMA FIRE COLLEGE AND PERSONNEL STANDARDS & EDUCATION COMMISSION

School Certifying Official Counseling for EMS Programs

I, (*print name*) _____, have received VA Counseling on ___/___/_____, and understand that it is my responsibility to ensure that I adhere to attendance guidelines. Failure to adhere to attendance guidelines can decrease the amount of VA benefits that I receive, or result in removal from a course.

I understand that VA full-time pay occurs when a student attends 18 to 22 clock hours or more weekly. The following courses are based on a varying schedule and do not meet full-time status: Emergency Medical Technician, Advanced Emergency Medical Technician, and Paramedic. It is through the scheduling and attendance of clinical rotations that I may reach full-time status. (*Should you have a week where you attend more clinical rotations than lecture, your attendance hours must be greater than 22 hours in order to maintain full-time status.*)

I understand that I am responsible for any tuition and fees, not covered by my VA benefit.

I also understand that the Alabama Fire College makes no presumption of what a student may receive from his/her VA benefit allotment. This is between the student and VA.

I understand that by signing this form, I am responsible for disclosing and submitting all transcripts (to include military transcripts) at the time of orientation.
